The County and Glendive Wind are each individually a “Party” and collectively the “Parties” hereto.

RECITALS

WHEREAS, Glendive Wind intends to develop, construct, operate and maintain, in one or more phases, a commercial wind energy conversion system on real property partially located within the County, with a nameplate capacity of up to eight hundred (800) megawatts (“MW”) and commonly known as Glendive Wind Project (the “Project”);

WHEREAS, Mont. Code Ann. § 75-26-304 will require Glendive Wind to submit a Decommissioning Plan for the Project (the “Decommissioning Plan”) to the Montana Department of Environmental Quality;

WHEREAS, the Decommissioning Plan will provide for the removal of Project structures and the restoration of the associated land at the end of the operational life of the Project (the “Decommissioning Activities”);

WHEREAS, the Decommissioning Plan will contain a decommissioning cost estimate, prepared by an independent and certified professional engineer, estimating the total cost to decommission the Project less the salvage value of components (the “Decommissioning Cost Estimate”);

WHEREAS, the Department of Environmental Quality will establish requirements for financial assurances, in the form of bonding, for the Decommissioning Activities in an amount determined by the Department of Environmental Quality (the “Bond”); and

NOW, THEREFORE, in consideration of the mutual promises and covenants in this Agreement, and other good and valuable consideration, the receipt and adequacy of which the Parties hereby acknowledge, the Parties agree as follows:

AGREEMENT

1. Decommissioning Plan.

a. Review of Draft Plan. Before Glendive Wind submits the Decommissioning Plan to the Montana Department of Environmental Quality as required by Mont. Code Ann. § 75-26-304(1)(a)(ii), Glendive Wind shall provide the County a draft of such plan for the County’s review and comment. Glendive Wind shall make commercially reasonable efforts to address any written comments received from the County within twenty (20) business days after the County’s receipt of the draft Decommissioning Plan. For the avoidance of doubt, Glendive Wind shall not be required

to include the County's comments themselves in the plan nor to submit them along with the Plan.

b. Finalized Plan. Once the Decommissioning Plan has been approved by the Montana Department of Environmental Quality, Glendive Wind shall provide a copy to the County, and shall append a copy to this Agreement as Exhibit A without further action required from either party.

c. Modified/Amended Plans. If the Decommissioning Plan is modified by the Montana Department of Environmental Quality or if the plan is amended by Glendive Wind and thereafter approved by the department, Glendive Wind shall provide an updated copy to the County, and shall replace Exhibit A to this Agreement with such updated copy without further action required from either party.

2. Decommissioning Activities. Glendive Wind shall complete the Decommissioning Activities at Glendive Wind's sole cost and materially in accordance with this Agreement and the Decommissioning Plan.

3. Bond.

a. Initial Bond. Prior to commencing construction of the Project, Glendive Wind shall post an initial bond with the County to secure the performance of the Decommissioning Activities. The amount of such initial bond shall be determined by an independent evaluator in accordance with Mont. Code Ann. § 75-26-304(4)(a) and (b), (8)(a). The initial bond shall be payable to the County.

b. Updated Bond. At the same time Glendive Wind provides the County with a copy of the draft Decommissioning Plan pursuant to Section 1.a., above, Glendive Wind shall provide to the County a copy of the Bond which will be submitted to the state of Montana in accordance with Mont Code Ann. § 75-26-304. The amount of the Bond shall be determined in accordance with Mont. Code Ann. § 75-26-304(4), but in no event shall be less than one hundred percent (100%) of the Decommissioning Cost Estimate. Pursuant to Mont. Code Ann. § 75-26-304(5), the Bond shall be payable to the state of Montana.

c. Replacement of Initial Bond. Once the Decommissioning Plan and accompanying Bond have been approved by the Montana Department of Environmental Quality, and once such approved Bond has been posted by Glendive Wind, Glendive Wind shall be released from the initial bond identified in Section 3.a., above, and the County shall promptly release Glendive Wind therefrom.

4. Failure to Commence Decommissioning Activities. If Glendive Wind fails to commence Decommissioning Activities within twelve (12) months of Project discontinuation or abandonment, and following any applicable notice and cure period, Glendive Wind shall be conclusively deemed to have failed to properly decommission the

Project. Thereafter, the County may notify the Montana Department of Environmental Quality of such failure, which shall cause Glendive Wind to forfeit all of the Bond pursuant to Mont. Code Ann. § 75-26-309(2).

5. No Transferability. No Party may transfer or assign its rights or obligations under the Agreement, in whole or in part, without the other Party's prior written consent; provided, however, Glendive Wind may assign this Agreement without the prior consent of the County in connection with the transfer of ownership of the Project to a successor owner who meets the requirements of Mont. Code Ann. § 75-26-304(10).

Delivery of an executed counterpart of a signature page to this Agreement by email or facsimile shall be as effective as delivery of an originally signed counterpart to this Agreement.

g. Governing Law. This Agreement shall be governed by and interpreted in accordance with the laws of the State of Montana, irrespective of any conflict of laws provisions. Both Parties desire that the transactions contemplated hereby be effected and carried out in a manner that is in compliance with all laws.

h. Successor and Assigns. This Agreement shall inure to the benefit of and shall be binding upon the Parties hereto, their respective successors, permitted assignees, and legal representatives. This Agreement may not be assigned without the written consent of the Parties, which consent shall not be unreasonably withheld. Notwithstanding the foregoing, Glendive Wind may assign this Agreement to its affiliates and may collaterally assign this Agreement to any lender in support of the Project.

i. Waiver. If either Party waives any term or provision of this Agreement at any time, that waiver will be effective only for the specific instance and specific purpose for which the waiver was given. If either Party fails to exercise or delays exercising any of its rights or remedies under this Agreement, then that Party retains the right to enforce that term or provision at a later time.

j. Further Assurances. Whenever in this Agreement the approval or consent of either County or Glendive Wind is required or contemplated, unless otherwise specifically stated, such approval or consent shall not be made the subject of a demand for additional compensation, nor otherwise unreasonably conditioned, withheld or delayed.

k. Waiver of Jury Trial. In any litigation arising from or related to this Agreement, the Parties hereto each hereby knowingly, voluntarily and intentionally waive the right each may have to a trial by jury with respect to any litigation based hereon, or arising out of, under or in connection with this Agreement.
